

Internal Revenue Service, Treasury

§ 48.4216(b)-1

not be excluded or deducted, under any condition, in computing the sale price upon which the tax is computed.

[T.D. 7536, 43 FR 13518, Mar. 31, 1978; T.D. 7536, 43 FR 16974, Apr. 21, 1978]

§ 48.4216(a)-3 Other items relating to tax on sale price.

(a) *Exchanges.* If, in connection with the sale of an article subject to a tax imposed under Chapter 32 on the price for which sold, a manufacturer receives from its vendee another article in exchange, the tax on the manufacturer's sale shall be computed on the basis of the amount allowed for the article received from the vendee, plus any additional amount charged the vendee.

(b) *Replacements under warranty.* If an article, subject to a tax imposed under Chapter 32 on the price for which sold, is returned to the manufacturer by reason of the failure of the article under a warranty as to its quality or service, and a new article is given by the manufacturer, free, or at a reduced price, the tax on the new article shall be computed on the actual amount, if any, to be paid to the manufacturer for the new article. See paragraph (b)(2) of § 48.6416(b)-1 for the circumstances under which the allowance made by the manufacturer, producer, or importer upon the return of the first article constitutes a price readjustment of the sale price of first article and the extent, if any, to which a credit may be allowed, or refund made, of the tax paid by the manufacturer, producer, or importer on the sale of the first article.

(c) *Readjustments in sale price.* Readjustment in sale price (such as allowable discounts, rebates, bonuses, etc.) cannot be anticipated. The tax must be based upon the original price unless the readjustments have actually been made prior to the close of the period for which the tax upon the sale is returned. However, if the price upon which the tax was computed is subsequently readjusted, credit may be taken against the tax due on a subsequent return or a claim for refund filed as provided by section 6416(b)(1) and the regulations thereunder.

[T.D. 7536, 43 FR 13519, Mar. 31, 1978]

§ 48.4216(b)-1 Constructive sale price; scope and application.

(a) *In general.* Section 4216(b) pertains to those taxes imposed under Chapter 32 that are based on the price for which an article is sold, and contains the provisions for constructing a tax base other than the actual sale price of the article, under certain defined conditions.

(b) *Specific applications.* (1) Section 4216(b)(1) applies to:

(i) Arm's-length sales at retail or on consignment, other than those sales at retail and to retailers to which section 4216(b)(2) and § 48.4216(b)-3 apply; and

(ii) Sales otherwise than at arm's length, and at less than fair market price.

(2) Section 4216(b)(2) applies generally to arm's-length sales of an article at retail or to retailers, or both, where the manufacturer also sells the same article to wholesale distributors.

(3) Section 4216(b)(3) provides a formula for determining a constructive sale price for sales of taxable articles between members of an affiliated group of corporations (as "affiliated group" is defined in section 1504(a)) in those instances where the purchasing corporation regularly resells to retailers but does not regularly resell to wholesale distributors, and except for situations where section 4216(b) (4) or (5) applies.

(4) Section 4216(b)(4) provides a special method for computing a constructive sale price for sales of taxable articles between affiliated corporations where the purchasing corporation sells only to retailers, and the normal method of selling within the industry is for manufacturers to sell to wholesale distributors.

(5) Section 4216(b)(5) provides a special method for computing a constructive sale price for sales of articles subject to a tax imposed by section 4061(a) (trucks, buses, tractors, etc.) between affiliated corporations, where the purchasing corporation regularly sells such articles in arm's-length transactions to independent retailers.

(c) *Definitions.* For purposes of section 4216(b) and the regulations thereunder and unless otherwise indicated:

(1) *Sale at retail.* A "sale at retail," or a "retail sale", is a sale of an article to a purchaser who intends to use or lease
